CEO MESSAGE

Bachir COUASSI-BLÉ

At **Tropical Lobb Group LLC (TLC Group)**, our strength lies in the diversity of our industries and the dedication of our affiliate companies to provide tailored solutions that drive real-world impact. As the CEO, I am proud to lead a company that not only excels across a broad range of sectors—from commodities trading and agribusiness to financial consulting and government affairs—but also holds a deep commitment to innovation, sustainability, and global partnerships.

Our mission is to empower each affiliate under **TLC Group**'s umbrella to operate with autonomy, yet benefit from the strategic leadership and shared resources of the holdings company. We believe that by providing this balance, our affiliates can lead their industries while continuously enhancing the value they offer to clients worldwide.

In today's dynamic and competitive global landscape, we face constant challenges that require agility, foresight, and collaboration. At **TLC Group**, we embrace these challenges, seeing them as opportunities to not only grow but to redefine what excellence means in our respective fields. Whether through pioneering sustainable energy projects, advancing commodities trading, or influencing global policy through government affairs, our commitment to innovation and integrity guides every decision we make.

I am confident in the future we are building at **TLC Group** and invite you to join us as we continue to lead, innovate, and create lasting value for our clients and partners. Together, we can navigate the complexities of the global market, creating opportunities for shared success.

Vision

At **Tropical Lobb Group LLC (TLC Group)**, our vision is to become a global leader across the various industries in which we operate, driving excellence in commodities trading, financial services, government affairs, and beyond. We aim to push the boundaries of innovation while embracing sustainable practices that benefit both the global economy and the communities we serve. Our goal is to foster a dynamic ecosystem where each affiliate company thrives, collaborates, and adapts to changing market conditions, ultimately shaping the future of international business and contributing to long-term, positive impacts worldwide.

Mission

The mission of **Tropical Lobb Group LLC (TLC Group)** is to deliver exceptional value through our diverse portfolio of affiliate companies by providing expert guidance, tailored solutions, and strategic leadership. We are committed to helping each affiliate excel in its industry while upholding the highest standards of ethics, transparency, and professionalism. By building strong, long-term partnerships and leveraging our global expertise, we aim to create sustainable growth opportunities for our clients and stakeholders, ensuring success in a rapidly evolving global marketplace.

MILESTONE

2024

In 2024, **TLC Group** successfully launched operations in the global commodities market, forming key partnerships in oil, gas, and minerals. We expanded into energy and agribusiness, establishing ourselves as a leader in these sectors. Additionally, we developed strong alliances with multinational corporations and governments, offering innovative financial services to support international trade. This year marked a significant phase of growth, positioning **TLC Group** as a trusted partner in commodities trading and finance, with a continued focus on delivering exceptional value and sustainable solutions to our clients worldwide.

2025

By 2025, **TLC Group** expanded its portfolio to include more diverse offerings, such as natural gas and renewable energy, increasing our presence in key international markets. We also enhanced our service range by introducing advanced financial instruments like Letters of Credit and Bank Guarantees, supporting the growing needs of our global clients. Additionally, we integrated technology-driven solutions in commodities trading and project development, further strengthening our position as a leader in the industry and ensuring our clients benefit from innovative and sustainable approaches to business growth.

2026

In 2026, **TROPICAL LOBB LLC** aims to become a market leader in both commodities trading and trade finance. We plan to integrate cutting-edge technology, including blockchain-based financial instruments, to streamline operations and ensure greater transparency. As we continue to innovate, we remain committed to expanding our global reach and fostering sustainable partnerships that drive long-term success for both our clients and our company.

TROPICAL LOBB LLC

OUR GOALS

At **TLC Group**, we are committed to delivering exceptional value, fostering sustainable growth, and driving innovation across industries. Our goals include:

- **Delivering Exceptional Value:** We aim to provide tailored solutions that maximize opportunities for our clients, creating long-term partnerships based on trust and excellence.
- **Fostering Sustainable Growth:** We are focused on expanding our portfolio and services while promoting responsible, sustainable practices in every sector we operate in.
- **Driving Innovation:** We strive to remain at the forefront of industry developments by integrating cutting-edge technologies that enhance transparency, efficiency, and impact.

Goal 1

Our primary goal at **TROPICAL LOBB LLC** is to deliver exceptional value to our clients by providing high-quality services and innovative solutions in commodities trading and financial consulting. We are committed to understanding the unique needs of each client, ensuring that our offerings are tailored to maximize their opportunities and minimize risks. By prioritizing customer satisfaction and consistently exceeding expectations, we aim to build long-term relationships that foster trust and loyalty in an ever-evolving market.

Goal 2

At **TROPICAL LOBB LLC**, we are dedicated to fostering sustainable growth for both our clients and our company. We achieve this by continuously expanding our commodities portfolio and enhancing our financial consulting services to meet the dynamic demands of the global market. Our focus on sustainability drives us to adopt responsible trading practices and innovative financial solutions that not only contribute to our clients' success but also promote environmental and social responsibility within the industry. By prioritizing sustainable growth, we aim to create a positive impact that extends beyond immediate business goals.

OUR PROJECT

At **TROPICAL LOBB LLC**, we are proud to showcase a range of impactful projects that highlight our expertise in commodities trading and financial consulting. Each project reflects our commitment to delivering innovative solutions that address the unique challenges faced by our clients in a global market. Through strategic partnerships and a focus on sustainability, we aim to drive positive outcomes for both our clients and the communities in which we operate. Explore our projects to see how we are making a difference in the world of trade and finance.

Project 1

TROPICAL LOBB LLC is proud to announce the establishment of **PETROX CORPORATION**, a leading entity specializing in the exploration, extraction, transportation, refining, storage, and trading of oil and gas. With strategic contracts in place with governments and multinational companies, **PETROX CORPORATION** is positioned to play a pivotal role in the global energy sector. Our commitment to operational excellence and sustainability ensures that we not only meet the energy demands of today but also contribute to a responsible and environmentally-conscious future in oil and gas.

Project 2

In a significant initiative to enhance the global cacao market, **TROPICAL LOBB LLC** is developing an international trading hub for cacao in **Ivory Coast**. This project aims to streamline the sourcing and distribution of cacao, serving as a vital link between local farmers and worldwide consumers. By fostering partnerships with local producers and leveraging advanced logistics and trading strategies, our cacao hub will enhance market access, promote fair trade practices, and contribute to the economic development of the region, ensuring a sustainable supply chain for one of the world's most beloved commodities.
